# CULTURAL IMMERSION ENGAGE & LEARN

## Adult & Children Spanish Classes at the Y Summer 2016

L.A.C.I.A. and the YMCA of Southwestern Indiana have partnered to bring Evansville area Adult and Children Spanish language and cultural classes. Give your conversation skills a boost and immerse yourself in Latino Culture in these informative and engaging classes! Participants develop language skills in the areas of vocabulary, reading, listening, and speaking necessary to converse in Spanish. The immersion method creates an environment in which students learn to speak the target language in the same way they learn their native tongue. We can begin your Spanish education and take you through to a post-secondary level.

YMCA members receive a 10% discount.
