# CULTURAL IMMERSION ENGAGE & LEARN

## Adult & Children Spanish Classes at the Y

L.A.C.I.A. and the YMCA of Southwestern Indiana have partnered to bring the Evansville area Adult and Children Spanish language and cultural classes. Give your conversational skills a boost and immerse yourself in Latino Culture in these informative and engaging classes! Participants develop language skills in the areas of vocabulary, reading, listening, and speaking necessary to converse in Spanish. The immersion method creates an environment in which the students learn to speak the target language in the same way they learn to acquire their native tongue. We can begin your Spanish education and take you through to a post-secondary level.

YMCA Members receive a 10% discount.
